We're making our 2022 management proxy circular available online this year instead of mailing it to you, following a set of rules developed by the Canadian Securities Administrators called *notice and access*, and pursuant to an exemption received from the Office of the Superintendent of Financial Institutions. We are also using notice and access to deliver our annual report to our beneficial shareholders.

We encourage you to get your copies right away, and to read them *before* you vote.

Why we're sending you this notice

This notice tells you how to get a copy of our 2022 management proxy circular (*circular*) and annual report. The circular tells you what you will be voting on at the meeting, and how you can vote. We encourage you to get your copies right away.

Downloading them online is the fastest and easiest way to get copies – please see the instructions below. You can also order printed copies if you prefer.

This package also includes a proxy form or voting instruction form – you will need it to vote your shares. You'll find instructions on the back of the form and starting on page 4 of the circular, including how to appoint someone else to be your proxyholder. To be valid, your proxy voting instructions must be received no later than 5:00pm (ET) on April 11, 2022 (or if the meeting is adjourned, the second last business day before it is reconvened).
